The Annual Quality Assurance Report (AQAR) of the IQAC

On the basis of the Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) in Accredited Institutions.

Year of Reporting: 2013-14

Brief History of the College:

Rimuli, situated amidst the woodland grace, gives a picturesque surrounding with predominantly inhabited by SC, ST and other economically downtrodden communities who for various reasons Economic, social, geographical etc were hither-to neglected and deprived of the rights of Higher Education until the college was established and fulfilled the long felt earnest desire of the people for the pursued of higher education. In 1982, a few village elders put their heads together to start a college at Rimuli when they found that demand from the public living in and around the area became a proposition of pressing need. In fact they took a very bold step in 1982 towards establishing this college which at present is running 30th year. The college has been affiliated by Utkal University and council of higher secondary education Odisha with Arts faculties teaching English, MIL, History, Political Science, Economics, Sanskrit, Logic, and Mathematics at the intermediate stage with a total strength of 128 students only and started in the local high school. Then the college took a long stride in having its own lands and building and the 3 faculties of Arts, Science and commerce at the +2 level and started functioning right from the year 1984. The foundation stone of the present building was laid down by Sri Gangadhar Mahapatra, the then education minister in 1983. In the year 1986, the College got affiliation from the Utkal University, Vanivihar, Bhubaneswar for opening of new subjects i.e. Psychology, Education, Sociology and SPST at the +2 Arts level. In 1987, +3 BA classes were opened with a total strength of 128 students. In 1993, +3 BSc. classes were opened with a total strength of 64 students. The sanctioned strength of +3 BA increased from 128 to 160 seats and Honours in Political Science with 16 seats were also opened in the same year. Along with the diversification of courses the time and the total sanctioned strength of students has gone up to being taken to open additional subjects i.e. Psychology, Education and Sociology at the +3 BA level and Honours in various subjects. Subsequently Honours teaching facilities in five subjects i.e. Pol. Sc., History, Sanskrit, Chemistry and Zoology were opened. Since 1998, the college has been affiliated to the North Orissa University, Baripada.

Taking into consideration of the increasing demands of the students of the tribal area, the Govt. of Odisha have been pleased to accord permission for opening of Honours subject in Physics, Mathematics and Odia, Opening of +3 Commerce stream with 64 seats and extension of seats in +3 Science stream from 64 seats to 96 seats from the academic session 2011-12.

Alongwith the diversification of courses, the number of seats in various classes have been raised from time to time and the total sanctioned strength of students has gone upto more than 1700 at present . Keeping in view the increasing demands of the students of the area, the college proposes to open additional subjects, Honours in various Arts, Science and Commerce subjects in the coming years.

The outstanding growth of the College is attributed to the donations received from the generous public, industrial sectors, local M.L.As & M.Ps, eminent personalities and the Ex-students from time to time. The College is flourishing because of the grants received from the University Grants

Commission, New Delhi under Basic Assistance and the development Assistance in various plan periods and the necessary aid and assistance from the state Government for its development.

The college aims at all round development of the students by providing opportunities to achieve excellence in all fields. The college has achieved the unique distinction of being one of the foremost colleges of Odisha state by maintain commendable position in respect of academic activities, student discipline, standard teaching, student-teacher relationships, sports and games, youth red cross, Red Ribbon Club, Scout & Guide, NSS. Programmes and also satisfactory performance of students in the council and university examinations. To add to its glory, this college has been accredited by 'NAAC' in the year 2012 for academic excellence.

Further there was unstinted help from the public and donations were made from several quarters of which special mentor may be made of the Rimuli Gram Panchayat, RimuliMela committee, ITDA, Champua, and the students of this college. The college owes as lot to the University Grants Commission, New Delhi, and Govt. of Orissa for their aids and grants for its development.

The former governing body of Rimuli college under the presidentship of Late NakafodiSethy and the active cooperation of Sj. SanatanSahoo, secretary, Sj. Subash Chandra Brahma, treasurer, and members Sri HrusikeshSethy, Sri Sachitra Chandra Mahanta, Sri RatdhakantaDehuryk, Sri Govindach.Naik, Sri AkadasiNaik, Sri SudarsanNaik, Sri. PurusottamPradhan, Sri HaldharBaidya, and teacher representatives Sri Ajaya Kumar Pradhan and Sri Bhubaneswar Mahanta, managed the construction of the college buildings and other development works. Recently, a hostel has been constructed with the grant of the TRW, Department of Govt. of Orissa.

Adding to this the Govt. has been pleased to transfer 9.5 acres of land where the present building has been constructed. The college has ample scope to expand itself to transfer 9.5 acres of land where the present building has been constructed. This college has ample scope to expand itself to a full-fledged degree college with all amenities within a few years to come.

Goals:-

Dissemination and expansion of higher education in order to fulfill the exceptions and aspirations of the people of such poor and tribal district in the most cardinal objective of this institution. The institution in such backward tribal district stands as a light-house to enlighten the intellectual pursuits and creative awareness among the people. Apart from imparting higher education of very high standard it aims at creating useful and productive learners through the organization of various socio-cultural activities and making them responsible and resourceful citizens for the betterment of society and nation at large.

Internal Quality Assurance Cell (IQAC):-

The college is accredited at "C" Grade by the NAAC in January 2011. Such grade accreditation by NAAC inspired to all of our staff and students to work with new zeal and enthusiasm to achieve higher grade in ensuing assessment by the NAAC visit. In this connection all our staff have been committed to enhance the all round quality of the institutions and the learners at large with a visit to keeping up the glory and reputation of our institution. Our college has entered into the programme in November, 2010 and committee of IQAC is formed as per the scheduled guidelines of the NAAC to look after the sustenance and of the quality of this institution. All the staff members and learners are

very much committed to their respective programme of actions including curricular, co-curricular and extra-curricular activities in order to sustain the quality and glory of the institution.

Vision:-

To establish as a premier institute of higher education as a full-fledged multi faculty Degree College within a few years offering quality education for fostering human values and dignity, igniting the spirit of enterprise and to strive for excellence in all spheres and to imbibe scientific temperament and to become a centre of academic excellence marching towards a Rural University.

Mission:-

Our mission is to impart vibrant, innovative and global education, to promote holistic development of the learner's personality-making them intellectually independent & excellent, morally upright and socially committed and to prepare them to live a harmonious and meaningful life which will lay the foundation of a greater tomorrow.

The basis of the report (AQAR):-

The self-reviewed annual progress report detailing the tangible results achieved in key areas is submitted herewith. These areas are specifically identified by the IQAC committee in the beginning of the academic year by devising perspective plan. This report is prepared on the basis of the scheduled guidelines for the creation of the Internal Quality Assurance Cell (IQAC) in accredited institution.

6	Formation of career counseling Cell.	A career counseling Cell has been formed. Officers in charge of this section provide time to time counseling and latest information to the students for the purpose of preparing them for skill, expertise and educational qualification.
7	Initiatives taken for infrastructure and construction of building	Various measures have been taken for the construction of a new academic block sponsored by EsselMining& Industries Pvt. Ltd. Barbil worth rupees 68 Lakhs.

PART -B:

1. Activities reflecting the goals and objectives of the Institution:-

The institution has a goal of becoming the leading premier institution of Orissa especially of North Orissa University, Baripada. In this regard it has taken lot of steps to enhance both curricular and extra-curricular activities by the joint venture and co-operative nature of the existing staff members and students. Besides the above all the departments regularly carry on seminars, debates, competitions, student counseling, remedial classes, unit test & periodical tests and other related test related to the examination orientations etc.

2. New academic Programmes Initiated (UG):-

This year Honours inOdia, Mathematics & Physics has been opened. Proposals for concurrence of opening Honours and pass subjects had been sent. Again the ongoing effort for opening of Psychology pass at +3 Degree Arts streams is awaited for making the college a full-fledged one.

3. Innovations in Curricular Design and Transaction:-

The college is affiliated to North Orissa University, Baripada in the state of Odisha. In practice the curriculum is framed & designed by the NOU and the institution has only to follow and implement it into real practice. Practically there is no scope for any innovation in the curriculum. In this regard our institution has taken only the responsibility to chalk out & execute the same objectives of curriculum for effectiveness of the learners and institution at large. However approval has been obtained from the Director of Distance and continuing Education of North Orissa University to open self financing courses like MBA and PGDCA from the session 2011-12 and Govt. of Odisha has accorded approval for the opening of Honours in Odia, Mathematics and Physics 2011. Besides the above the head of the institution is acting as chairman of the Board of studies in the Department of English and some other senior staff members e.g. Sri B. D. Mohantais the member of the board of studies D.D.(Auto) College Keonjhar. They used to propose timely advices to the university/college for ultra-moderating and designing the set norm of curriculum for betterment of the learners and society at large.

4. Interdisciplinary programmes started:-

The college has introduced Environmental Science as the programme on interdisciplinary study.

5. Examination reforms implemented:-

The nature and the norms of the examinations have been duly set up by the university and our college only conducts the examinations as per the scheduled rules & regulations designed & framed by the university concerned. Except implanting the rules and conducting examination, the college has to look into basically the nature & process of examination to be conducted as sound & discipline. The college has no scope for making any sort of reforms except giving certain advices and proposals to the university. In order to update the learners and bring their quality development in academy our college makes on going periodical monthly test & unit test on a very regular basis. But above all we have to follow the university pattern of examination to acquaint the students with the university examinations. .

6. Candidates qualified: NET/SLET/GATE etc.:-

Nil

7. Initiative towards faculty development programme:-

Teachers are always encouraged to attend the orientation and fresher course time to time conducted under academic staff college by various universities in order to update their recent knowledge as per the need of the day. Besides the above, our teaching staff members are also

highly encouraged to participate in organization of state and national level UGC sponsored seminars organized in different institutions under the state & abroad. In the current session Mrs. Sarada Behera, HOD, Botany, Mr. Kumuda Pradhan, HOD, Chemistry Mr. N. N. Mohanta, Dept. of Political Science, Mr. Dharmendra Baidya, Dept. of Mathematics, Mr. Mohan Mishra, HOD, English, Dr. Bhubaneswar Mohanta, HOD Odia attended both the National & state level seminars organized in different colleges and universities. Besides the above Smt. Kiranabala Mohant, Dept. of Odia, Mr. N. K. Mohanta, HOD, Sanskrit, Mr. M.C. Mishra, HOD English, and Mr. L. K. Dash, Dept of Economics has completed their Refresher course under Sambalpur University.

8. Total number of seminars/ workshops conducted:

Our college basically had given due importance to the organization of seminars and debates among the students for the purpose of updating their current knowledge and making them vigilant about the change of educational dimensions in the perspectives of Higher Education. All the departments are encouraged to organized seminar in their respective departments for the said purpose.

The department of **Chemistry** has organized three seminars in this session on the followings aspects:

- (i) Chemical Kinetics and effect of Catalyst
- (ii) Surface Chemistry
- (iii)

The Department of **Political Science** had organized two seminars on

- (i) Women Empowerment in Odisha
- (ii) Democracy & Development in India.
- (iii) Role of ITDA in Tribal Development.

Three seminars were organized by the Department of **Physics**

- (ii) Laser and its Applications.
- (iii) Computational Physics

The Department of **Sanskrit** organized three seminars on

- (i) Gadyam Kabinam Nikasham Badanti.
- (ii) A comparative Study between Ramayan & Mahabharat.
- (iii) Maghemeghe Gatam Bayah.

The Department of **Mathematics** organized 3 nos. of seminars on

- (i) Newton-Raphson Method.
- (ii) Number System in Computer

(iii) C-Programming & Mathematical Applications.

The Department of **History** organized three seminars on

- (i) Life & teaching of Lord Budha& its impact in Indian Culture.
- (ii) Gupta Age as an Golden Age.
- (iii) Estimate of the Kharavela.

Above all 18 seminars in the various departments were organized in a very quality enhancement & updating the knowledge of the learners with the current dimensions of education.

9. Research projects

a) Newly implemented:

Some Minor Research Projects have been applied by the teaching staff for the approval of UGC during 2011-12. The recommendation of approval is availed by the staff for taking follow-up-measures.

b) Completed:

Research works for Ph.D. are under on-going-process by the staff members and some have applied to North Orissa University for the registration of their Research topic. The approval for the same is awaiting for continuation of the same research work.

10. Patents generated, if any:-

No

11. New collaborative research programme:-

State and National UGC sponsored seminars with collaboration with D.D.(Autonomous) College, P.S College, Jhumpura, Barbil College, Barbiland North Orissa University P.G. Departments. Two national level seminars have been duly approved by the UGC and organized by the department of Economics and History. Hon'ble vice chancellor of Fakir Mohan University and Hon'able vice chancellor of North Orissa University along with other resource persons from various universities & colleges participated in the said seminar & made it's a grand success.

12. Research grants received from various agencies:-

Not Yet

13. Details of research scholars:-

College has not taken any such projects of its own. Teachers are carrying their research works under various Universities. Presently Sri Pankaj Kumar Rout, Lect. In History, Mr. L. K. Dash, Lect. In Economics, Mr. SachidanandaParida, Reader in Pol. Science, andMr. Souren Kumar Rout, Lect. In Odia, have applied for registration of their research programs in various universities.

14. Citation index of faculty members and impact factor:-

Not Yet

15. Honors/ Awards to the faculty:-

Mr. Lalit Mohan Sarangi, YRC Counsellor received State Level Award for the Best Counsellor.

16. Internal Resources Generated:-

College collects development fees from the students which is the major source of internal resource. Apart from this subscriptions are collected for seminars and various cultural activities.

17. Details of departments getting SAP, COSIST(ASSIST)/ DST.FIST, etc. assistance/ recognition:-

Library, office, examination and admission system have been computerized and made on line . All sorts of examination works, documents related to transfer certificates, issue of index and intimation as regard to admission is on ongoing process at SAMScollege under this institution.

18. Community services:-

Our institution had undertaken various community services and awareness programme in the peripherals. Our Youth Red Cross unit of this college had organized a blood donation camp in which 25 participants joined & donated blood realizing the nature of donating blood to rescue the life of poor children and distress. They had also conducted awareness programme on health & Sanitation. Targeting the youth they had also organized anti-drug and anti AIDSprogramme. The NSS units have organized plantation programmes to plant trees inside the college campus and the adopted villages. As a whole the institution has given due emphasis to sustain & enhance the community services through its staff members and students by linking directly the college with community.

19. Teachers and officers newly recruited:-

Three teachers were recruited on contractual basis in the departments of Sociology, Sanskrit and Commerce to meet the desired and urgent need of growing work loads of this institution.

20. Teaching – Non-teaching staff ratio:-

1.4 :1

21. Improvements in the library services:-

Library is on progress and computerization of catalogue of the library consisting of 10,932stock of books is having on going progress at work. Besides there is a specific room has been allotted to study centre of the library which is at on work for betterment of the learners. Remedial studycentre is also functioning under the guidance of the Asst. Librarian, Mr.Krushna Chandra Behera. New racks, Almirah& selves have been purchased for better storage & display of books.

22. New books/ journals subscribed and their cost:-

New U.G.C. reference books, texts of various streams and journals worth of Rs. 2,25,245.00 were purchased from various reputed agencies at cuttack.

23. Courses in which students assessment of teachers is introduced and the action taken on students feedback:

All the departments collect oral and written feedbacks from the students on the teachers and the department. They plan their course of action on that accordingly.

24. Unit cost of education:

Rs. 2885.00

25. Computerization of administration and the process of admissions and examination result, issue of certificates:

Our institution has installed computer in its various sectors. Library was computerized in the session 2010-11 and in this session the computer was installed for the smooth operational work related to admission and accordingly our SAMS college is totally involved with the process of admission.

26. Increase in the infrastructural facilities:

Proposals for financial grants on different projects worth of Rs.1,21,50,000/- were submitted to the UGC, out of which Rs32,85,396/- has been allocated till date.

27. Technology up gradation:-

The computer of the Principal's office has been connected with the office computer through Local Area Network (LAN). In the coming years LAN connection will be extended to different sections like admission, accounts, library and laboratory etc. A photocopy machine has been purchased for the office has been connected with broad band. An e-admission section has functioned from this session with computers and broad band connection.

28. Computer and internet access and training to teachers and students:

Computer and internet training are given to the staff and students by the Joint Venture Computer Programme of the college.

29. Financial aid to students:

College doesn't provide any financial aid to the students. Of course it waives out the development fee and fees for various cultural activities from the poor and needy students. Hence forward college plans to provide some financial aid to such students.

30. Support from the Alumni Association and its Activities:

Alumni meeting was held in the college on 10.12.2012. The alumni extends it's support to the students in counseling and in the organization of various cultural activities etc.

31. Support from the Parent-Teacher Association and its Activities:

The parents-teachers meeting was held on 16.04.2013. The importance of the parents and their involvement in academic development of the students in the institution was ensured by such meeting parents help the institution in a great way by actively motivating the students for attending their classes on regular basis keeping proper discipline & decorum in the campus. Parental inspiration and co-operation was sought for better qualitative development of education of the learners in the institution. The periodical meeting of the parent teacher Association was concerned as per the need of the institution for the purpose of better guidance of the students in the pursuits of the academic development and developing the spirit of awareness about regular attendance for their betterment in the institution.

32. Health services:

Regular practice of Yoga and facilities of gymnasium set up in the college are on continuous process. Every day both Yoga and Gym are practiced in two sessions morning and evening. A blood donation camp was organized at the college in collaboration with a state level NGO. An awareness camp on AIDS “KNOW AIDS NO AIDS” and an Anti Drug Campaign was conducted by the NSS and YRC units of the college. Red-cross unit had also conducted an awareness programme on health and sanitation and on managing road safety.

33. Performance in sports activities:

Department of sports had conducted inter class football, volley and cricket tournaments and the Annual Athletic Meet, 2012. Naresh Kumar Mahanta stood 3rd in the Inter College Athletic Meet, NOU. MilliNaik stood 1st in Discuss throw and 2nd in 100mts hurdles in the Inter College Athletic Meet of NOU. Our college cricket team participated in inter college Cricket tournament.

Besides organizing the sports, sports and athletic department also organizes regular practice of yoga and gym. In the college.

34. Incentives to outstanding sportspersons:

Till now no incentive is given in such cases. But the college plans to provide suitable incentives to the outstanding sportspersons in coming days.

35. Students achievements and awards:

Students Union and the sports unit of the college organized various literary, cultural, sports and athletic competitions among the students. The achievers in such occasions and students achieving extraordinary results are suitably awarded.

36. Activities of the Guidance and Counseling Cell:

The Guidance and Counseling Cell of the college guides students choosing the right subjects for them. It also guides them in matters like admission, examinations and their personal problems, if any. Apart from this it counsels the pass out students on higher studies and selection of proper academic institutions

37. Placement services provided to students:

College provides general education. In such case virtually there is no scope for placement except counseling the passed out students on the nature and opportunities of various services. Presently the college is making its plan to introduce some job oriented curriculums like BBA, BCA and MCA etc. in collaboration with IGNOU and North Orissa University. The Director of Distance and Continuing Education of North Orissa University has already given approval for the opening of courses on MBA & PGDCA from 2011-12.

38. Development programmes for non-teaching staff:

College contributes its share to the Employees Provident Fund (EPF) for both the teaching and non-teaching staff members paid out of management fund.

39. Best practices of the institution :

Best practices of the institution includes

- (a) Very peaceful ragging free institution.
- (b) Positive interaction among the staff and students.
- (c) Proper academic atmosphere. It has developed Gurukul like study environment.
- (d) Excellent natural scenic beauty of the campus. It is covered with beautiful grooves, rounded platforms beneath the trees, concrete roads and annual flowers all around. The lush green plants, shrubs, ornamental plants make the campus simply irresistible. The beautiful greenery and the cool soothing breeze especially in summer keep the visitors spell bound. The natural beauty of the campus acts as the anti dot to wipe out all the day to day tensions and academic pressures and revives one with freshness.

40. Linkage developed with National/ International, academic/ research bodies:

No such linkage has developed yet.

41. Any other relevant information:

- Dr. fMangala Prasad Mohanty , Honorary Secretary, IRCS, Odisha State Branch visited the college on Dt. 06-01-2014 and threw light on Red Cross during his interaction with volunteers.

Campus Beautification:-

Our institution framed a committee taking all the N.S.S. programme officers & sports officer Sri Dushasan Mohanta were its active members; their duty is to look after the beautification of the campus and preserving and protecting the environment and all its flower plants during the summer & the winter in last year, 2011. Apart from this large number of ornamental and utility plants were planted around the campus under their proper supervision. The performance of the committee assigned to beautification of campus has enriched the greenery & scenic beauty of the campus. The timely assistance of the N.S.S. volunteers has helped a lot to glorify the beauty and cleanness of the campus.

Students' Union :-

Here was an advisory board for the students' union for the session 2013-14 in order to advise and counsel the elected office bearers of this institution for the smooth maintenance of the discipline of the institution. The following members were assigned to remain in the charge of Advisory & Associate Advisory of the students' union

Sri S.N. Parida, Reader in Pol.Sc. - Advisor

Sri Mohan Charan Mishra, Lect. in English- Associate

The elected students' union office bearers had organized literacy competitions and cultural activities among the students of +3 Arts, Science & Commerce stream and celebrated the Annual functions in the college. Hon'ble Minister of Higher Education Sports & Youth Services Prof. Badrinarayan Patra inaugurated the meeting as the chief guest & esteemed Sub-collector was invited as the guest of honour on the said occasion. The prizes were awarded along with certificates to the competitors securing 1st, 2nd & 3rd position in various co-curricular activities. The annual function was a grand success with sound cooperation of parents, teachers, local members, ex-governing body members, all the employees and students of the institution.

Curricular activities:-

All the departments had carried on their curricular & extra-curricular activities enthusiastically. Course of each department was finished in time. Seminars were conducted regularly. 5(Five) members of teachers had registered for the Ph.D. Some of the teachers had attended the refresher courses and some others had attended seminars and conferences both at state and national level. Counseling of students on academic matters, examination orientations, higher studies and personal problems are done side by side with the teaching activities.

Extra curricular activities:-

Most of the departments had conducted their study tours in last winter. Departments of History, Political Science, Physics, Chemistry, Mathematics and Sanskrit had conducted such programmes to various sites of geographical interest such as Hadgarh, Gundicha Gagi, and Bhimkund etc. All the departments of science stream jointly visited various places of historical and cultural interest such as Khandadhar, Gonasika, Ghagra waterfall etc. Apart from this all the departments had conducted welcome and farewell ceremonies and various cultural programmes to enhance the team spirit and organizing skills of the students. Extra-curricular activities like study tours, welcome and farewell ceremonies are regularly done by the departments to develop the leadership qualities.

Cultural activities :-

The cultural committee had organized various cultural programmes such as song, dance, mono-action etc. and had conducted special cultural programme on 15th August, 26th January, Teacher's Day and on National Youth Day etc.

Disciplinary measures taken by the institution:-

Our institution has taken up various measures for proper maintenance of discipline and qualitative improvement of its learners. In order to prohibit the outsiders' intrusion in to the campus, the institution framed a disciplinary committee and entrusted the responsibility to all the members of the disciplinary committee.

Moral support from the Principal:-

Our Principal Dr. Kartik Chandra Mishra assumed the office on 2.07.2010. He was heartily welcomed to the institution by the staff and students in a special welcomed meeting. Dr. Mishra is a man of versatile genius. He is very intellect well cultured and has a dynamic personality with great vision. His

sincere effort and guidance helped to boost up the morals and the work culture of the staff and students. From the day of his very joining he took special interest to enhance the all-round quality of the institution. His able leadership will definitely move the institution to go forward.

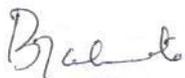

Photos:-

Photos of various activities are displayed through our web site
