2.14 Significant Activities and contributions made by IQAC

The IQAC plays an active role in internalising a culture of quality within the institution. This culture is maintained and sustained by several initiatives taken by the Cell through the year. Orientation sessions were conducted for the faculty and periodical meetings/ discussions with department faculty representatives were conducted to collate the data pertaining to various activities of the departments

All the major committees of the College are represented in the IQAC. The Students' Wing meets periodically to plan activities which will enhance the quality of student life on campus. The IQAC has been coordinating the visits of teams of faculty members from several institutions to study the working of the CBCS and the functioning of the IQAC.

The IQAC has been involved in preparing many reports highlighting the activities of the college. Capacity building programmes are regularly organised for both teaching and non-teaching staff. The IQAC, through its activities, has been an agent of change in the institution ensuring efficient performance of academic and administrative tasks.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year

Plan of Action	Achievements
Eco friendly practices	New trees have been planted to create pollution free campus in our College.
Students Wing	New members have been inducted in the Students' Wing and the members play an active role in enhancing student involvement in College activities and facilitating inclusive education. They meet periodically and, along with members of the Rotaract Club, are also involved in working towards Green Initiatives on campus.
Sustenance and enhancement of quality	Sessions, workshops and interaction on topics such as quality sustenance, enhancing the activities of IQAC, Networking with other IQAC, Capacity Building, Time Management have been conducted and the suggestions are being implemented.
Increasing the number of certificate courses offered	The IQAC members are invited as Resource Persons / consultants to various colleges in Odisha to share expertise on Autonomy, CBCS and IQAC.

Enhancing connectivity and Networking	Other institutions have visited Rimuli College to acquaint themselves with the functioning of the IQAC cell. Networking & Communications has been established to include more penetration of information technology in education.

Provide the details of the action taken

The suggestions recommended in the future plans of the previous AQAR 2013 – 2014 were implemented over this academic year, such as:

With an increase in the number of Distance PG courses, students are empowered with more knowledge and skills for the present job market.

The installation of the Language Lab and Smart Class Rooms has set the tone for an enhanced and efficient output in communication, academic tie-ups and collaborative knowledge development and has generated greater research rigor on campus.

Training programmes/capacity building sessions for faculty and non-teaching staff create an efficient and smooth functioning of the respective offices.

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

IQAC ensures the students involvement in intercollegiate events by communicating them for different types of competitions, arranges lectures for them and provide financial assistance. IQAC ensures all reserved category students to get the scholarships on time.

IQAC ensures students participation in research work by involving them in conferences. participating them in conferences and research seminars.

5.2 Efforts made by the institution for tracking the progression

Personal guidance, on both academic and non-academic matters, is made available to the students through mentoring, which is offered in the College at multiple levels. Besides the course teachers, each student has a mentor, whom the students can approach for academic and personal counselling.

Each student meets her mentor, on a one-to-one basis, at least three times every year. These are out-of-classroom personal meetings in which the mentor gets to know the student personally and keeps track of her academic performance, attendance record, course registration, fulfilment of course requirements and so on, giving guidance where necessary on matters pertaining to academics.

Each student has a mentoring booklet in which she enters her personal details and updates details of her academic performance and curricular progress. Mentors offer academic counselling to students, help them choose elective courses, recommend them for remedial coaching, if necessary, and also meet parents of their mentees to update them on their progress.

Best Practice – I Language Partnership Programme for Enhancement of Communication in English

This programme was initiated to help first year students who lack the required competency in English and to improve their proficiency and enhance communication in English to help them understand their core disciplines and subjects.

The outcome was that the students were able to blend with the rest of the class. Improved English language competence lead to improvement in academic performance. About 200 students benefitted by this programme.

Best Practice – II Institutionalising the Mentoring System

The Mentoring System was introduced to monitor student progression both in academics and help students deal with issues related to life on campus and also give guidance related to their personal issues.

Each member of the faculty is assigned students belonging to her department. A booklet with student details has been designed by the College to keep track of the student's growth and development on campus. Each student is required to meet her mentor in a one-on-one session at least three times every semester. If the mentor feels that her mentee requires additional help, she is recommended for remedial coaching. The mentor also guides students on matters relating to higher education and careers.

7.4 Contribution to environmental awareness / protection

The College constantly seeks to promote the Care of Mother Earth initiative. One of the primary objectives of the institution is to sensitise students on environmental issues and to motivate them to promote ecological justice and sustainable development. The College, on a regular basis, makes a thorough environmental assessment of the campus and implements healthy ecological practices in water and energy conservation and waste management. The three 'R's: "Reduce", "Reuse" and "Recycle" form the essence of every eco-friendly practice adopted in the College. Some of the eco initiatives of the campus include:

1. Waste management (Composting)
2. Sensitising the public on environmental issues and reaching out to the community on working towards environmental protection

Commitment to the environment and fostering student involvement for "green" campus initiatives has always been our priority at Rimuli College.
